Representation to Privy Council of defects in examination.

Powers of Privy Council, on representation, to make order.

24. The Privy Council, on any representation made as aforesaid, may, if they see fit, order that a certificate granted by any such college or body after such time as may be mentioned in the order shall not confer any right to be registered under this Act.

Any such order may be revoked by the Privy Council on its being made to appear to them, by further representation from the General Council or otherwise, that such college or body has made effectual provision, to the satisfaction of the General Council, for the improvement of such course of study or examination.

Ireland, a certificate of fitness constituting such person a licentiate in dental surgery or dentistry of such college or faculty.

If a medical authority certify to the general registrar the names and addresses of the persons who, having been so certified by a medical board, have received certificates from that authority, together with the other particulars required for the registration of such persons, the general registrar may, upon payment of the registration fee, register every such person in the Dentists Register without application from that person.

The General Council shall have the same power of making rules respecting the examination of persons desiring to obtain certificates of being qualified to practise dentistry or dental surgery as they have for the time being in respect of the examination of persons desiring to obtain a qualification to practise medicine and surgery, and there shall be the same right of appeal to the Privy Council against such rules.

The General Council and the Privy Council shall have the same control over the medical board, so far as regards the examination of persons desiring to practise dentistry or dental surgery, as they have as regards the examination of persons desiring to practise medicine and surgery, and shall have the same power of dismissing the members of such board.

The General Council may cause to be framed, and may approve, and when approved submit to the Privy Council, a scheme to carry into effect the provisions of this Act with respect to a medical board, and rules respecting examinations, and for extending, with or without any exception or modification, to the examination of persons desirous of practising dentistry or dental surgery, the provisions of any Act for the time being in force with respect to the examination of persons desiring to practise medicine or surgery, and any such scheme when confirmed by the Privy Council shall have full effect.

Any such scheme may provide for the fees to be paid on admission to the examinations, and for the application of such fees for public purposes, and generally for such matters as appear to be necessary or proper for carrying into effect the scheme and regulating the examinations.

It shall be lawful for Her Majesty at any time after the said appointed day to declare by Order in Council that section twenty-eight of the said Dentists Act 1878 shall be in force on and after a day to be named in such Order, but in the meantime and until such order has been made, and before such day as last aforesaid, such section shall not be deemed to be in force.
